Equipment delivery to the shore (unless you pickup/return to our location in Ekenäs or Gullö):

- Up to 10 kayaks against one delivery charge.

The delivery charge varies between locations, as selected at shopping cart level before checkout. Please provide us with your exact pickup time and return time in the **cart notes**. We do not like to leave kayaks alone on the shore on your responsibility. As we meet there may be some time for introducing the specifics of the kayaks, and possibly swap models.
